General Boat Description

Introducing the 1985 CHB ACMY, a splendid aft cabin motor yacht trawler that boasts an overall length of 47.7 feet. Crafted from durable fiberglass, its modified vee hull shape ensures excellent performance and stability on the water. This vessel is powered by twin Caterpillar 3208 inboard engines, each delivering an impressive 375 horsepower, allowing for a cruising speed of 16 knots. The yacht features two well-appointed cabins and two heads, providing ample space for relaxation and comfort. An electric windlass enhances convenience during anchoring, making it an ideal choice for both leisurely outings and adventurous voyages. The combination of robust engineering and thoughtful design makes the CHB ACMY Trawler a remarkable choice for those seeking a capable and comfortable cruising experience.
