General Boat Description

Marriott Marquis Downtown San Diego Location!

Introducing the 2008 Formula 37 Performance Cruiser, a stunning express cruiser that embodies both style and performance. With an overall length of 37 feet, this vessel is designed for those who appreciate the thrill of the open water. The deep vee hull, crafted from durable fiberglass, ensures a smooth and stable ride, making it perfect for cruising at a speed of 28 knots, with a maximum hull speed of 35 knots. Powered by twin Volvo D6-370A-B diesel engines, each delivering 330 horsepower, this cruiser promises exhilarating performance with only 225 and 230 hours of use. The electric windlass adds convenience to your anchoring experience, enhancing your time on the water. Accommodating two cabins and one head, it offers comfortable living space for weekend getaways. Experience the perfect blend of luxury and power with the Formula 37 Performance Cruiser, where every journey becomes an unforgettable adventure.
