General Boat Description

Introducing the stunning 2000 Maxum 4600 SCB, a remarkable flybridge vessel that combines elegance with performance. With an overall length of nearly 46 feet, this used beauty boasts a modified Vee hull crafted from durable fiberglass, ensuring stability and a smooth ride on the water. Powered by twin Cummins 6BTA inboard engines, each delivering an impressive 375 horsepower, this boat offers a cruising speed of 21 mph, making it perfect for both leisurely outings and adventurous excursions. With just under 1,000 hours on each engine, you can trust in its reliability and performance. Designed for comfort, the Maxum 4600 SCB features two heads, providing convenience for you and your guests. This vessel is an ideal choice for those seeking a blend of luxury and functionality, ready to create unforgettable memories on the water.

With a probable slip transfer, you can enjoy the amenities of the exclusive San Diego Marriott Marquis Hotel. Contact Continental Yachts today to schedule your private showing!
